

Members' Challenge 2017

What's Your Passion?

Show off your passion for what you enjoy photographing. That is the Trillium Members' Challenge for the Spring of 2017.

Submit 4 - 8 images which show your photographic passion. Please include a title image showing maker's name and optional title.

All images are to be sized as per clinics (to fit within 1400x1050 pixels) and named with owner's name and a number, eg. jovermeyer01.jpg.

Entries to be e-mailed by April 12 to John Overmeyer at:

This is not a competition, so have fun participating in the challenge.
