

Trillium Print Salon and 25th Anniversary

Our tenth annual Print Salon will be held on December 12th, 2017 from 7:30 to 9 PM at East Plains United Church in Peart Hall. We will also celebrate Trillium's 25th anniversary that evening. There will be an AV presentation of the best image of the year and Louise Elder Wildflower winners from the past 25 years. It should be interesting to see if photography has changed much over this time.

The Print Salon provides the opportunity for Trillium members to display their prints and share them with other Trillium members, families and friends.

Now is the time to start thinking of the prints you want to display.

How to Enter

The 2017 Print Salon Guidelines are attached for your review and are also available on our web page.

Refreshments

We will be asking a number of members to volunteer to bring a special plate or dish of finger food items, either sweet or savoury. Both will be needed. The Hospitality committee will take care of serving the refreshments, to include cider, juice, tea and coffee. Naturally, Christmas / Holiday Season will be a theme!

Guests

Everyone is welcome! The idea is to showcase our significant talent to as many people as possible, so bring your friends and family! We are attempting to locate Trillium's founding members and past members so they can join in the celebration. All the more reason to put on a great showing of our talent.

Note

The committee is going to work hard to make this a special showcase event, and with the members' help, wants to make it a memorable evening through the enjoyment of a fabulous exhibition and fabulous refreshments! In addition, all attendees will be eligible to win door prizes.
