

3 Club (Photographic Exhibition of Projected Images and Prints

This yearly event features prints and A/V presentations from the Trillium Photographic Club, the Hamilton Camera Club and the Latow Photographers Guild. It is an opportunity to meet photographers from other clubs in the region, to show them our images, either as prints or as part of a Trillium A/V presentation, and to see their images. The Three Club Show will be held on Saturday March 9, 2019 at the Burlington Seniors' Centre, 2285 New St, Burlington, from 7:00 p.m. to 9:00 p.m. There will be light refreshments available for people perusing the prints from 7:00 p.m. until the A/V presentations start at 8:00 p.m. Tickets for this event will be on sale at our regular Trillium meetings. Tickets are \$10 in advance, or \$12 at the door. We encourage you to invite your friends, including people who are thinking of joining a photo club. It would be a great introduction for them.

Following is information on image submission:

Images for the A/V show

We will be picking members' photos from recent clinics for the A/V show as well as new images that have not been submitted to previous clinics. If you will be submitting new images for consideration, please send up to 3 images to Doug Doede at dougd@cogeco.ca. The deadline for receipt by Doug is February 16. Images should be sized as for Clinics (see Members' Handbook on our website). We are grateful to Doug for preparing the A/V show.

Prints

We are grateful to Judy Boufford for taking care of prints submitted for the Three Club Show. Prints from this year's or prior year's Print Salons can be used. Prints can be brought to Trillium meetings on February 12 and 26, and March 5, and given to Judy at the table beside the registration table. If absolutely necessary the prints can be dropped off at the Burlington Seniors' Centre no later than 4:00 p.m. on March 9. Regardless, the label information will have to be emailed to Judy at trilliumprintsalon@gmail.com no later than March 5. Please see the attached information on how to prepare prints for the Three Club Show.
